**KING QUEST™ AUTOMATIC
PORTABLE SATELLITE TV ANTENNA**

Live Satellite TV Anywhere!

\$699 | RETAIL \$999 | KI VQ4200

The KING Quest offers fast, effortless & reliable connection to your favorite Bell TV channels while RVing, camping, tailgating, enjoying a backyard BBQ or time at the cabin. A single coax cable connects the antenna to your satellite receiver for quick and easy setup. Once connected, just press a button and the antenna automatically locks on the satellite in minutes bringing your favorite channels to your outdoor adventures. Automatic satellite acquisition, powered over coax (no separate power cable to antenna), roof mountable (no additional brackets required), supports multiple TV viewing*, built-in handle for easy transport.

*Programming must be on the same satellite

GET BELL™ SATELLITE TV SERVICE WHILE TRAVELING IN CANADA

Take your Bell programming along on your next outdoor excursion! Use with one of your existing Bell receivers or add another receiver to your account for a nominal fee; it's just like adding another room! The KING Quest gives you the flexibility to take your Bell TV channels along with you while traveling in much of Canada without the need for a separate account. Now you never have to miss your favorite shows or sporting events, plus you can stay on top of the latest news and weather while enjoying the great outdoors. • Add to your existing Bell satellite TV service • Crystal clear HD • Fast, easy setup.

*Reception area is approximate. Actual coverage area may be affected by weather and satellite signal strength.

GET DISH® PAY-AS-YOU-GO TV SERVICE WHILE TRAVELING IN THE U.S.

Canadians traveling in the US can now get DISH satellite TV service on a pay-as-you-go, month-to-month basis with no long-term contract or commitment. You don't need a permanent US residence either; just charge the monthly fee to your credit card. DISH offers many of the same channels you're already familiar with along with a wide variety of additional US movies, sports, news and commercial free music channels. Programming packages start at just \$49.99/month. 1. Purchase a compatible DISH mobile receiver 2. Reconfigure your KING Quest antenna for DISH service (takes 2 minutes) 3. Call (800) 963-3474 to activate your DISH Pay-As-You-Go service.

*Compatible with DISH Pay-As-You-Go service for HD & SD signals using a DISH ViP® 211z or other single tuner, HD receiver (purchased separately).
